Dear Mrs. Frank:

Today, is not too soon to express my feelings to you about Seth.

It wasn't long after I held the Office of Logan City Commissioner that I came to know Seth, and since that day we were the best of friends. I guess one of the things I admired and appreciated most about Seth was that he was an honest man. He, in deed, was a man of integrity in every sense of the word. He truly understood the gospel of work. When the City (Logan) hired Seth Frank to do a job we knew that it (the job) would be done right and with dispatch. For this reason all those who worked with Seth, loved and appreciated him.

The many curbs, gutters, sidewalks and numerous other projects Seth and his men completed will stand long as monuments of his fine workmanship.

So, Mrs. Frank I would appreciate being
numbered among Veth's many friends who
knew and appreciated a great man, Veth Frank.

May the spirit of the Lord, be ever present
with you to give you comfort in this your
hour of sorrow and help fill the void
left in your life by the untimely of Veth.

God bless you always.

Sincerely,
Ross S. Covington
