## **My First Christmas in Heaven**

I see the countless Christmas trees around the world below  
With tiny lights like Heaven's stars reflecting on the snow.

The sight is so spectacular- please wipe away the tear

For I'm spending Christmas with Jesus Christ this year.

I hear the many Christmas songs that people hold so dear,

But the sound of music can't compare

With the Christmas choir up here.

I have no words to tell you the joys their voices bring

For it's beyond description to hear the angels sing.

I know how much you miss me,

I see the pain inside your heart.

But, I am not so far away, we really aren't apart.

So be happy for me dear ones, you know I hold you dear

And be glad I'm spending Christmas

With Jesus Christ this year.

I sent you each a special gift from my heavenly home above,

I sent you each a memory of my undying love.

After all, love is a gift, more precious than pure gold.

It was always most important in the stories Jesus told.

Please, love and keep each other, as my Father said to do.

I can't count the blessing of love He has for each of you.

So, have a Merry Christmas and wipe away the tear.

Remember, I am spending Christmas

With Jesus Christ this year.
